

AcmeFlow Refund Policy

AcmeFlow customer support reference

AcmeFlow provides a refund for an eligible subscription charge when the request is made within 30 calendar days of the original charge.

The request must come from a workspace owner and should include the invoice number. Do not send a password, API key, one-time code, or complete payment-card number.

Approved refunds are returned to the original payment method. Processing time can vary by the payment provider. The support assistant cannot see the current status of an individual refund.
